# FROM THE PASTOR

This summer has been filled with lots of changes and growth. From the remodeling and renovations taking place at the church to an intensive confirmation class I can say I am tired but ever so grateful for the opportunity to serve this community.

Tired? Did I say tired? Yes I am tired but God restores me in so many ways that I am ready for whatever comes in the next weeks and months. When I look at the smiling faces of our youth I am filled with awe; when I see the grateful mouths that are fed at our community dinners I am humbled; when I sing with our praise band I am filled with the Holy Spirit and reminded of the many ways to worship; when I enter the new office I am excited about the paths this opens up for our seniors and our handicapable. I can go

on and on but you get the idea. Tired but energized. Tired but with God's strength and love I am renewed to serve you.

# New Experience in Worship

1st & 3rd Sundays Monthly 7:00pm

There are many ways to worship and praise God just as there are many unique and different peoples. Some really like the more traditional filled with liturgy, choirs and organ. Others like quiet and meditative with no music. Some like a more free flowing service with guitars and drums. It usually boils down to what one was raised with or what one may connect with. The whole idea of worship is to get close to God. Our Sunday morning services are on the more traditional side and many people enjoy this type of worship, but as we grow and gain younger members, the need for a more modern approach has become needed. Out of this need was born New Experience in Worship (N.E.W.)

With a group of musicians and Pastor Melanie's guidance Sunday evenings will be filled with music and songs, a more free flowing prayer time and an opportunity for a lesson or conversation. This is meant to be an informal yet a more intimate way of worship and we still are learning as we go. With input from parishioners and Melanie's creativity, this is sure to become a staple here at Collenbrook so please join us on the 1st and 3rd Sundays if you seek something different or just want to be in church worshipping God one more day.
